DETAILED ACTION

This Office Action is in response to an RCE filed 3/28/2005.

Currently, claims 68-71 and 73-75 are pending.

Allowable Subject Matter

1. Claims 68-71 and 73-75 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art, either singly or in combination fails to anticipate or render obvious, the limitations of:

...the stacks having sidewalls extending substantially vertically along the thicker segments, one or more conductive materials and one or more insulative materials; and

a masking material over portions of the first and second stacks, and having an opening extending therethrough to the thin segment; the opening having a periphery that includes the stack sidewalls; the thicker segments, one or more conductive materials and one or more insulative materials of the stacks being exposed along the stack sidewalls within the opening; and

at least one conductively-doped region within the substrate under the thin segment, as required by claim 68.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
